DELTA T EQUIPMENT

Experience + Solutions

HVAC PRODUCT LINE SHEET

Packaged Cooling Towers, Closed Circuit Fluid Coolers, Condenser Water Treatment Systems, Ice Storage, Parts & Service Solutions for All Cooling Tower Mfrs.

YASKAWA

Variable Frequency Drives, Low Harmonic VFD's, Fan Array VFDs, Redundant VFD Packages, NEMA1, 12, 3R & 4X

Vibration Isolation & Noise Control, Springs Isolators, Pads, Hangers, Inertia Bases, Flex Connectors (Kevlar), Riser Isolation, Expansion Joints, Floating Floors

Hydronic Pumps, End Suction, Horizontal Split Case, Vertical In-Line, Steam Condensate Return Units, Heat Transfer Pump Package Systems

Hydronic Boilers, Fire Tube and Water Tube, Condensing & Non-Condensing, Low NOx up to 6-million BTUH, Sequencing Controls, 10yr Standard Heat Exchanger Warranty

Pipe Supports, Duct Supports, Equipment Supports, Walkways, Crossovers, Stairs & Ramps, Platforms

Underground Pre-Insulated Piping Systems (Steel, Copper, HDPE, Plastic, PEX)

AHRI Certified Plate Frame Heat Exchangers, Welded & Brazed Heat Exchangers

Humidifiers, Steam Injection, Electric Self Contained and Gas Fired

Physics Driven Solutions for Hydronic Balancing

Coil Valve Piping Packages, Two-Way & Three-Way, Automatic or Manual Balancing, Flush Kits, Full Port Valves & Strainers, Fixed Orifice

Domestic Water Booster Pump Packages, Heat Transfer Pump Packages, Rainwater Harvesting Systems

DuraVent

UL Listed Exhaust Venting, Stainless Steel Gas Venting Systems for Condensing & Non-Condensing Applications, Generator Exhaust, Grease Duct

Hydronic Specialties, Expansion Tanks, Air/Dir Separators, Buffer Tanks, Glycol Packages

Shell & Tube Steam to Hot Water Heat Exchangers, Instantaneous Steam Fired Heat Exchanger Package with Controls, Air/Dirt Separators-3rd Party Certified

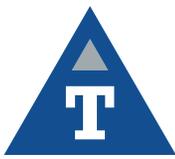

HEPA Filters, Bag-in/Bag-out Containment Housings & Filters, Filter Housings, Gas Carbon Filters, Chemical Media Filters, BSL 1-4 Filtration Systems

Centrifugal Separators and Filtration Solutions, Basin Sweeper Systems, Sand Filters, Full-Flow or Side-Stream Filter

Refrigerant Monitoring & Detection, Boiler Room CO Monitoring & Gas Detection, Parking Garage Gas Detection, Laboratory Gas Detection, Medical Gas Detection, Process Gas Detection

Total Pump Solutions

PLUMBING & FIRE PROTECTION PRODUCT LINE SHEET

WEIL
Pump

A WILO COMPANY

Sump Pumps, Sewage Ejectors, Lift Stations, Guide Rail Systems, Control Panels, UL Listed Explosion Proof Motors, Basin Covers, Fiberglass Basins, Grinder Pumps

Total Tanks
— Houston, Texas USA —

Domestic Break Tanks, & Fire Tanks, Combo Fire/Domestic Tanks, Fill Stations, Tank Controls

TRANTER
The heat transfer people

Double Wall Plate Frame Heat Exchangers

 **PENTAIR AURORA**

UL Fire Pumps, Controllers, Jockey Pumps, Diesel Pumps

CAMUS
Hydronics Ltd.

Gas Fired Water Heaters, Indirect Water Heaters, Storage Tanks, Wall Hung Heaters, Condensing & Non-Condensing

SyncroFlo
Pumping System Solutions

Domestic Water Booster Pump Packages, Heat Transfer Pump Packages, Rainwater Harvesting Systems

 **SINGER VALVE**
Result-Based Solutions. Globally.

PRV Pressure Reducing Valves, Solenoid Valves, Pressure Sustaining Valves, Level Control Valves, Specialty Valves, Fire Protection Valves, Domestic Water Valves, Hydronic Valves

 **MARLO**
INCORPORATED

Water Softeners, Bulk Brine Maker Silos, Reverse Osmosis Systems, Water Filtration, Pre-Piped/Pre-Wired Skid Systems

THERMACOR
PROCESS

Underground Pre-Insulated Piping Systems (Steel, Copper, HDPE, Plastic, PEX)

IGD

Water Heater Room CO Monitoring & Gas Detection
