Experience + Solutions

**HVAC PRODUCT LINE SHEET**

Packaged Cooling Towers, Closed Circuit Fluid Coolers, Condenser Water Treatment Systems, Ice Storage, Parts & Service Solutions for All Cooling Tower Mfrs.

Variable Frequency Drives, Low Harmonic VFD's, Fan Array VFDs, Redundant VFD Packages, NEMA, 12, 3R & 4X

Vibration Isolation & Noise Control, Springs Isolators, Pads, Hangers, Inertia Bases, Flex Connectors (Kevlar), Riser Isolation, Expansion Joints, Floating Floors

Hydronic Pumps, End Suction, Horizontal Split Case, Vertical In-Line, Steam Condensate Return Units, Heat Transfer Pump Package Systems

Hydronic Boilers, Fire Tube and Water Tube, Condensing & Non-Condensing, Low NOx up to 6-million BTUH, Sequencing Controls, 10yr Standard Heat Exchanger Warranty

Pipe Supports, Duct Supports, Equipment Supports, Walkways, Crossovers, Stairs & Ramps, Platforms

Underground Pre-Insulated Piping Systems (Steel, Copper, HDPE, Plastic, PEX)

AHRI Certified Plate Frame Heat Exchangers, Welded & Brazed Heat Exchangers

Humidifiers, Steam Injection, Electric Self Contained and Gas Fired

Coil Valve Piping Packages, Two-Way & Three-Way, Automatic or Manual Balancing, Flush Kits, Full Port Valves & Strainers, Fixed Orifice

Domestic Water Booster Pump Packages, Heat Transfer Pump Packages, Rainwater Harvesting Systems

UL Listed Exhaust Venting, Stainless Steel Gas Venting Systems for Condensing & NonCondensing Applications, Generator Exhaust, Grease Duct

Hydronic Specialties, Expansion Tanks, Air/Dir Separators, Buffer Tanks, Glycol Packages

Shell & Tube Steam to Hot Water Heat Exchangers, Instantaneous Steam Fired Heat Exchanger Package with Controls, Air/Dir Separators-3rd Party Certified

HEPA Filters, Bag-in/Bag-out Containment Housings & Filters, Filter Housings, Gas Carbon Filters, Chemical Media Filters, BSL 1-4 Filtration Systems

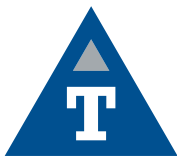

Centrifugal Separators and Filtration Solutions, Basin Sweeper Systems, Sand Filters, Full-Flow or Side-Stream Filter

Refrigerant Monitoring & Detection, Boiler Room CO Monitoring & Gas Detection, Parking Garage Gas Detection, Laboratory Gas Detection, Medical Gas Detection, Process Gas Detection

New and Replacement Field Erected Cooling Towers, Aftermarket Cooling Tower Services, Replacement Parts

**PLUMBING & FIRE PROTECTION PRODUCT LINE SHEET**

Sump Pumps, Sewage Ejectors, Lift Stations, Guide Rail Systems, Control Panels, UL Listed Explosion Proof Motors, Basin Covers, Fiberglass Basins, Grinder Pumps

Domestic Break Tanks, & Fire Tanks, Combo Fire/Domestic Tanks, Fill Stations, Tank Controls

Double Wall Plate Frame Heat Exchangers

UL Fire Pumps, Controllers, Jockey Pumps, Diesel Pumps

Gas Fired Water Heaters, Indirect Water Heaters, Storage Tanks, Wall Hung Heaters, Condensing & Non-Condensing

Domestic Water Booster Pump Packages, Heat Transfer Pump Packages, Rainwater Harvesting Systems

PRV Pressure Reducing Valves, Solenoid Valves, Pressure Sustaining Valves, Level Control Valves, Specialty Valves, Fire Protection Valves, Domestic Water Valves, Hydronic Valves

Water Softeners, Bulk Brine Maker Silos, Reverse Osmosis Systems, Water Filtration, Pre-Piped/Pre-Wired Skid Systems

Underground Pre-Insulated Piping Systems (Steel, Copper, HOPE, Plastic, PEX)

International Gas Detectors

Water Heater Room CO Monitoring & Gas Detection
