DELTA T EQUIPMENT

Experience + Solutions

HVAC PRODUCT LINE SHEET

Packaged Cooling Towers, Closed Circuit Fluid Coolers, Condenser Water Treatment Systems, Ice Storage, Parts & Service Solutions for All Cooling Tower Mfrs.

YASKAWA

Variable Frequency Drives, Low Harmonic VFDs, Fan Array VFDs, Redundant VFD Packages, NEMA 1, 12, 3R & 4X

Vibration Isolation & Noise Control, Springs Isolators, Pads, Hangers, Inertia Bases, Flex Connectors (Kevlar), Riser Isolation, Expansion Joints, Floating Floors

Hydronic Pumps, End Suction, Horizontal Split Case, Vertical In-Line, Steam Condensate Return Units, Heat Transfer Pump Package Systems

Hydronic Boilers, Fire Tube and Water Tube, Condensing & Non-Condensing, Low NOx up to 6-million BTUH, Sequencing Controls, 10yr Standard Heat Exchanger Warranty

Pipe Supports, Duct Supports, Equipment Supports, Walkways, Crossovers, Stairs & Ramps, Platforms

Underground Pre-Insulated Piping Systems (Steel, Copper, HDPE, Plastic, PEX)

AHRI Certified Plate & Frame Heat Exchangers, Welded & Brazed Heat Exchangers

Humidifiers, Steam Injection, Electric Self Contained and Gas Fired

Coil Valve Piping Packages, Two-Way & Three-Way, Automatic or Manual Balancing, Flush Kits, Full Port Valves & Strainers, Fixed Orifice

Domestic Water Booster Pump Packages, Heat Transfer Pump Packages, Rainwater Harvesting Systems

UL Listed Exhaust Venting, Stainless Steel Gas Venting Systems for Condensing & NonCondensing Applications, Generator Exhaust, Grease Duct

Hydronic Specialties, Expansion Tanks, Air/Dirt Separators, Buffer Tanks, Glycol Packages

Shell & Tube Steam to Hot Water Heat Exchangers, Instantaneous Steam Fired Heat Exchanger Package with Controls, Air/Dirt Separators-3rd Party Certified

HEPA Filters, Bag-in/Bag-out Containment Housings & Filters, Filter Housings, Gas Carbon Filters, Chemical Media Filters, BSL 1-4 Filtration Systems

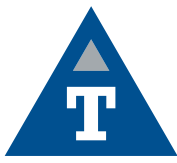

Centrifugal Separators and Filtration Solutions, Basin Sweeper Systems, Sand Filters, Full-Flow or Side-Stream Filter

International Gas Detectors

Refrigerant Monitoring & Detection, Boiler Room CO Monitoring & Gas Detection, Parking Garage Gas Detection, Laboratory Gas Detection, Medical Gas Detection, Process Gas Detection

Total Pump Solutions

DELTA T EQUIPMENT

Experience + Solutions

PLUMBING & FIRE PROTECTION PRODUCT LINE SHEET

Sump Pumps, Sewage Ejectors, Lift Stations, Guide Rail Systems, Control Panels, UL Listed Explosion Proof Motors, Basin Covers, Fiberglass Basins, Grinder Pumps

Gas Fired Water Heaters, Indirect Water Heaters, Storage Tanks, Wall Hung Heaters, Condensing & Non-Condensing

Double Wall Plate & Frame Heat Exchangers

UL Fire Pumps, Controllers, Jockey Pumps, Diesel Pumps

Water Softeners, Bulk Brine Maker Silos, Reverse Osmosis Systems, Water Filtration, Pre-Piped/Pre-Wired Skid Systems

Domestic Water Booster Pump Packages, Heat Transfer Pump Packages, Rainwater Harvesting Systems

B-Vent Flue Pipe for Water Heaters & Various Applications (Aluminum Interior, Galvanized Exterior Wall)

International Gas Detectors

Water Heater Room CO Monitoring & Gas Detection

Underground Pre-Insulated Piping Systems (Steel, Copper, HDPE, Plastic, PEX)

Domestic Water Tanks, Fire Water Tanks, Combination Tanks, Steel-Welded Tanks, Fill Stations, Tank Accessories & Controls, Structural-Design Calculation Packages

Fiberglass-Panel Tanks, Modular Storage Tanks

Enterprise-Grade Water Management & Leak Detection Solutions

UL Listed & FM Approved Fire Pump Flow Meters

PRV Pressure Reducing Valves, Solenoid Valves, Pressure Sustaining Valves, Level Control Valves, Specialty Valves, Fire Protection Valves, Domestic Water Valves, Hydronic Valves

PRV Pressure Reducing Valves, Solenoid Valves, Pressure Sustaining Valves, Level Control Valves, Specialty Valves, Fire Protection Valves, Domestic Water Valves, Hydronic Valves
